Assignment-3
Data Analytics and Visualization (CS/IT312)
27 January, 2022

Instructions

1. Create "Assignment3_Branch_YourId.py" file. *YourId* will be the student ID and *Branch* will be "CS" or "IT". For example, if student ID is 202018001 and Branch is CS, then file name will be "Assignment3_CS_202018001.py".

2. A student has to write the code for following tasks.

3. Upload your "Assignment3_Branch_YourId.py" file into the Google form shared on Google class room. Fill the Google form.

4. Please be present during lab session. The deadline of the submission is 11:59 pm, 4 February, 2022.
